Dear Sirs

Robertsbridge Village Hall Improvement Work

Regarding the funding of the above you were kind enough to encourage our efforts at the outset with a grant of £1,000. We have now effectively completed Phase one and are working on funding Phase 2 , the more expensive stage involving the new kitchen. We plan to carry this out in April next year. The RDC have responded to our application for funds with offer of a grant of £5,000. This was however granted on certain conditions one of which was that we apply to you for matching funding , ie also £5,000.

The overall quoted cost of Phase 2 is £32,000 including VAT and the RDC rules limit them to 50% , so on the face of it £5,000 is of course disappointing, particularly as a precedent for our remaining applications. However if you are by April next year able to contribute the other half then at least our local administration overall will have achieved almost a third. ?

If you need any information regarding these works everything we have is at your disposal.

Yours Faithfully

P T Underhill Honorary Secretary
